and more!

MESSAGE FROM THE FAMILIES

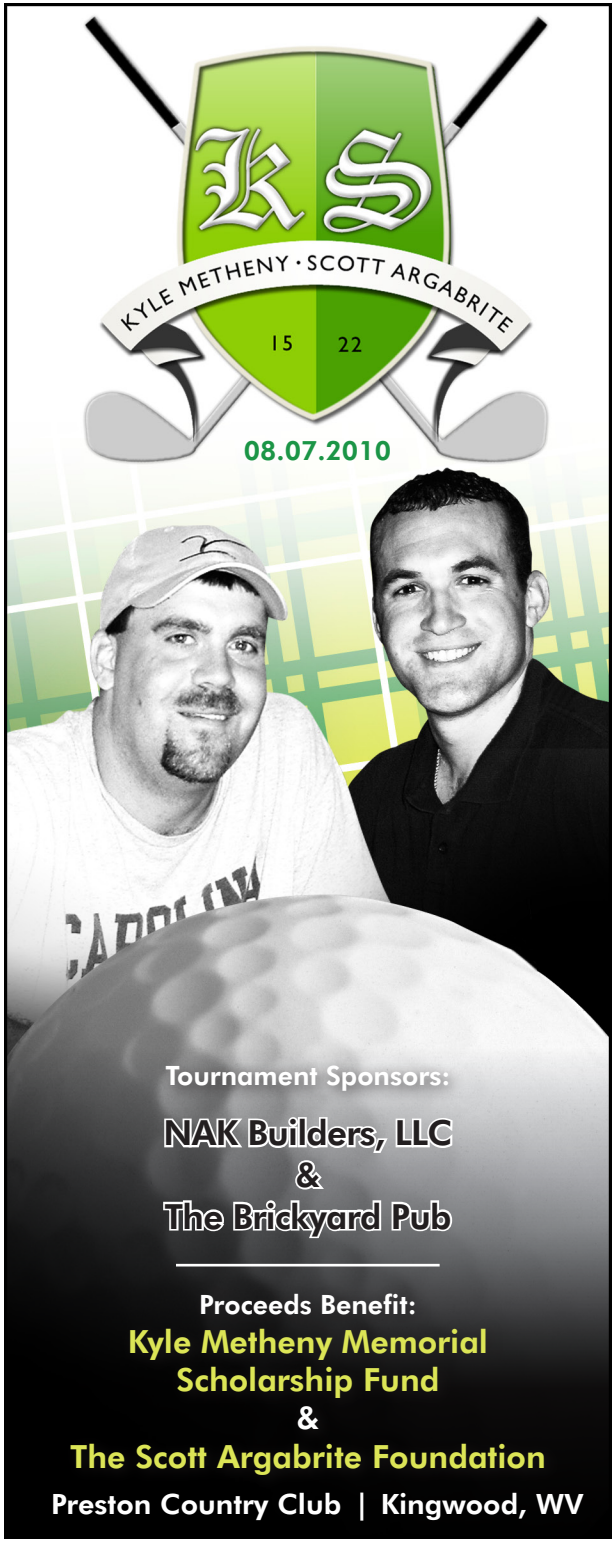
The families of Kyle Metheny and Scott Argabrite would like to take this opportunity to express their tremendous amount of gratitude for the communities of Preston County and Myrtle Beach. Your continued love and support has been a real source of comfort in the loss of Kyle and Scott.

Supporting these two separate causes with this one fundraising event made prefect sense when you look at how many similarities Kyle and Scott shared, including a love for family, sports, young lives, and their communities. A continuation of their love is the driving force behind the establishment of Kyle's scholarship and Scott's foundation.

Thank you in advance,
The Metheny's and The Argabrite's

ABOUT THE COURSE

Nestled at the foot of Cadell Mountain on Cheat River, famed for its world class rapids, Preston Country Club offers championship golf, fine dining, and tennis. At 7001 yards from the blue tees, PCC golf course is one of the longest in West Virginia. And, for a northern West Virginia course, it is flat, although the tight, tree lined back nine more than compensates for the level fairways. At 1862 feet, golf here can be refreshing when courses at lower altitudes swelter in summer heat.



ABOUT SCOTT'S FOUNDATION

On March 25th 2007, Scott Argabrite was diagnosed with stage four colon cancer. Scott died six months later on September 20th. He leaves behind his young wife Lisa and a daughter, Whitney.

Scott was a three sport stand out at Preston High, class of 92, earning All-State honors in both Basketball and Track. He continued his basketball career at Waynesburg College being named to the Div. III All-American team his Junior and Senior years.

At the time of his death Scott, "Coach A," was teaching and coaching at St. James Middle School in Myrtle Beach, SC.

Scott lived and coached with a heart full of love and a willingness to share it with others. Therefore, The Scott Argabrite Foundation has been established to allow this heart of love to continue to touch the lives of young student-athletes in both SC and WV.

In Myrtle Beach a scholarship has been established in Coach A's memory. Initially it will be awarded to a graduating senior of St. James High School who played for Scott and later to an individual desiring to be a teacher.

In Kingwood a Memorial Park is being planned. The Scott Argabrite Memorial Park will include playground equipment for children, a fitness trail, and two covered basketball courts.

Finally, there will also be assistance provided to needy athletes in both WV and SC for summer basketball camps as funds are available.

Arrival / Registration / Lunch

11:00 AM to 1:00 PM
Putting Competition

1:00 PM
Shotgun Start
Four-man Scramble format

6:00 PM
Dinner / Award Ceremony

ABOUT KYLE'S SCHOLARSHIP

On August 10th 2003, Preston County lost one of its sons, when Kyle Hartman Metheny was tragically killed in a motorcycle accident. Kyle was a standout student athlete for Preston High School from 1994 to 1996. He was a member of the Preston High basketball and football teams, as well Honor Society student. In his senior year as quarterback, Kyle led the Knights to their first ever playoff berth. Upon his death, the Kyle Metheny Memorial Scholarship Fund was created to assist future Preston High student athletes. The scholarship is given annually to an outstanding Preston High student athlete, selected by the committee. In May of 2005, the committee voted to extend the scholarship to a 4 year award. Each recipient of the scholarship must meet & maintain certain criteria as set by the committee to receive the additional disbursements. Special thanks to the owners and staff of ProPT. Without you, Kyle's scholarship would not have been possible.

SPONSORSHIP OPPORTUNITIES

Both Kyle and Scott's causes are primarily supported by this Memorial Golf Classic. Please consider sponsoring a hole at this year's tournament. For a $100 donation, your name (or company name) will be featured on prominent signage at a tee box. Larger tournament sponsorship opportunities are also available.
